April 25	Hemodynamic Monitoring	MVAMC: Main Auditorium
April 26	Nursing Care of the Post Surgical Patient	MVAMC: Main Auditorium
April 27	Shock and Infection in Critical Care	HCMC: BL 320
April 28	Intra-Aortic Balloon Pumps	MVAMC: Main Auditorium
May 2	Spinal Cord Injury Course Day One	MVAMC: 4T 111 /112/113
May 3	Spinal Cord Injury Course Day Two	MVAMC: 4T 111 /112/113
May 5	CV Surgery	Midway: Conley Room
May 10	Present Like a Pro	HCMC: BL 112 and BL 114
May 11	Entry Into the Charge Nurse Role	HCMC: OL 200
May 12	Prevention and Management of Disruptive Behaviors	St. Joseph's 3M Room A
May 17	Top-Notch Customer Service	Midway: Conley Room
May 19	Advanced 12-Lead ECG Interpretation	HCMC: BL 320
May 23	Precepting With Confidence and Competence	Midway: Conley Room
May 24 & 26	ECG Rhythm Interpretation	HCMC: BL 320
June 6	CCRN/PCCN Review Day One	Midway: Conley Room
June 6	Nursing Care of the Post Surgical Patient	St. Joseph's 3M Room A
June 7	CCRN/PCCN Review Day Two	MVAMC: Main Auditorium
June 9	Prevention and Management of Disruptive Behaviors	St. Joseph's 3M Room A
June 13 & 15	ECG Rhythm Interpretation	HCMC: BL 320
June 27	Assessment of the Adult Patient	MVAMC: Main Auditorium
June 29	Elements of Critical Care	HCMC: BL 320

July 6	Cardiovascular Critical Care	HCMC: OL 200
July 8	Neurological Critical Care	HCMC: BL 320
July 13	Pulmonary Critical Care	HCMC: OL 200
July 15	GI, Endocrine, and Renal Critical Care	HCMC: BL 320
July 19	Hemodynamic Monitoring	MVAMC: Main Auditorium
July 25 & 28	ECG Rhythm Interpretation	Watson Education Center (Maplewood)
July 27	Shock and Infection in Critical Care	Bethesda Hospital: Indihar Room
August 1	Prevention and Management of Disruptive Behaviors	Midway: Conley Room
August 2	Pain Management in the 21 st Century	MVAMC: Main Auditorium
August 2	Palliative Care	MVAMC: Main Auditorium
August 4	Foundations of Telemetry	MVAMC: Main Auditorium
August 8	Intra-Aortic Balloon Pumps	MVAMC: Main Auditorium
August 10	Spinal Cord Injury Course Day One	HCMC: BL 320
August 11	Spinal Cord Injury Course Day Two	HCMC: BL 320
August 16 & 18	ECG Rhythm Interpretation	Watson Education Center (Maplewood)
August 22	How to Identify Basic ECG Rhythms for Assistive Personnel	MVAMC: Main Auditorium
August 29	Assessment of the Adult Patient	Midway: Conley Room
September 1	Elements of Critical Care	MVAMC: Main Auditorium
September 6 & 8	ECG Rhythm Interpretation	MVAMC: Main Auditorium
September 7	Pulmonary Critical Care	HCMC: OL 200
September 12	Cardiovascular Critical Care	Midway: Conley Room
September 13	Evidence Based Practice	HCMC: BL: 320
September 14	GI, Endocrine, and Renal Critical Care	HCMC: OL 200
September 15	Present Like a Pro	HCMC: BL 112 and BL 114
September 19	Neurological Critical Care	MVAMC: Main Auditorium
September 22	Hemodynamic Monitoring	HCMC: BL 320
September 26	Nursing Care of the Post Surgical Patient	HCMC: OL 200
September 27	Prevention and Management of Disruptive Behaviors	Midway: Conley Room
September 28	Precepting With Confidence and Competence	HCMC: OL 200
October 3	Shock and Infection in Critical Care	Midway: Conley Room
October 4	Advanced 12-Lead ECG Interpretation	MVAMC: Main Auditorium
October 6	Advances in Diabetes Management	HCMC: BL 320
October 6	Kidney Care in the Hospitalized Patient	HCMC: BL 320
October 11 & 13	ECG Rhythm Interpretation	Watson Education Center (Maplewood)
October 12	Assessment of the Adult Patient	HCMC: BL 320
October 17	Pacemakers and ICD's	Midway Conley Room
October 25 & 27	ECG Rhythm Interpretation	MVAMC: Main Auditorium
October 26	Entry Into the Charge Nurse Role	Bethesda Hospital: Indihar Room
November 1	Assessment of the Adult Patient	MVAMC: Main Auditorium
November 3	Elements of Critical Care	MVAMC: Main Auditorium
November 7	Cardiovascular Critical Care	HCMC: OL 200
November 8	Evidence Based Practice	HCMC: OL 200
November 7 & 10	ECG Rhythm Interpretation	Watson Education Center (Maplewood)
November 10	GI, Endocrine, and Renal Critical Care	MVAMC: Main Auditorium
November 14	Top-Notch Customer Service	MVAMC: Main Auditorium
November 15	Neurological Critical Care	Midway: Conley Room
November 15	Foundations of Telemetry	MVAMC: Main Auditorium
November 17	Prevention and Management of Disruptive Behaviors	Midway: Conley Room
November 18	Pulmonary Critical Care	Bethesda: Indihar Conference Room
November 21	Hemodynamic Monitoring	Midway: Conley Room
November 28	Shock and Infection in Critical Care	Midway: Conley Room
November 29	CV Surgery	MVAMC: Main Auditorium
November 30	ECG Rhythm Interpretation (Day 1 of 2)	HCMC: OL 200
December 1	Entry Into the Charge Nurse Role	MVAMC: Main Auditorium
December 2	ECG Rhythm Interpretation (Day 2 of 2)	HCMC: BL 320
December 5	Pain Management in the 21 st Century	MVAMC: Main Auditorium
December 5	Palliative Care	MVAMC: Main Auditorium
December 5	Nursing Care of the Post Surgical Patient	St. Joseph's 3M Room A
December 6	CCRN/PCCN Review Day One	MVAMC: Main Auditorium
December 7	CCRN/PCCN Review Day Two	Midway: Conley Room
December 8	Prevention and Management of Disruptive Behaviors	St. Joseph's 3M Room A
December 13	Advanced 12-Lead ECG Interpretation	MVAMC: Main Auditorium
December 14	Top-Notch Customer Service	Bethesda Hospital: Indihar Room
December 15	Kidney Care in the Hospitalized Patient	Midway: Conley Room
